Recapping 2013 CGC Events

This newsletter will address Carmichael Golf Club (CGC) events during the month of June 2013.

Results from Turkey Creek, June 8, 2013

An early morning start to beat the Summer heat! And a hot day it was, with temperatures nearing 110 degrees by the afternoon. Turkey Creek has become a solid track in our rotation – though it did not show itself well on this day, for various reasons. To protect against the heat, the course was a bit wet and slow. By mid morning, their drinking water was turned off due to a test result – and the course did not respond well in response, leaving much of our group in the heat of the back nine without drinking water. After the round, we were rushed through our event results in response to a wedding scheduled that evening in the clubhouse area. We'll be back to Turkey Creek at some point down the road, hopefully the quality of the course will shine through at future events.

The 4 Flight winners on this day (along with 2 ties for low net prior to the scorecard playoff), became the next group to qualify for the CGC Tournament of Champions (TOC) event in 2014. The low net of the day, 63, was shot by Letitia Ruitter, winning the 4th Flight by 5 strokes. Dan Stir, in his first event with the CGC, won the 1st Flight with a net 70, for a 4 stroke victory. Ken Sano won a tie-breaker in the 2nd Flight with a net 68 (over Ken Worman, who had previously qualified for the TOC at Teal Bend in March). Joyce Webb won a tie-breaker in the 3rd Flight with a net 68, over Marsha Suter, with both Joyce and Marsha qualifying for the 2014 TOC.

Results from Reno weekend, June 20-22, 2013

Just a glorious weather weekend – mid 80's, with minimal breeze for the Reno area!! Rain came in the day after our last event, with temperatures near 100 a few days after that. Many thanks to Mitch and Rhonda Johnson for hosting us at Rhonda's parents house for a barbecue after our Thursday round – the opportunity for the group to get together away from the course was greatly appreciated!!

Wolf Run – June 20, 2013

The only familiar course from our Reno trip in 2010 – and a course where familiarity can be really helpful. There are many choices to make throughout the round on this course – and numerous places where a good round can be turned on its' head in a heartbeat.

While each of the 4 Flights was won with an under par net score, only 9 of the 42 players who played on this date shot under par net for the day – while 11 players shot net 80 or higher.

Terry Barr and Alan Rankin shot the best rounds of the day with net 64's in the 1st Flight – Terry won the tie-breaker, with both players qualifying for the 2014 TOC. There was also a tie for the low net in the 2nd Flight, with Jay Jackson and Rhonda Johnson both shooting net 69's. Jay won the tie-breaker (he had previously qualified for the 2014 TOC with his Flight victory at Micke Grove in late April) – Rhonda qualifies for the 2014 TOC with the pre-scorecard breaking tie. Jeanette Turvill won the 3rd Flight by 2 strokes with a net 67 (this was Jeanette's second Flight victory in 2013). Sherry Aceituno qualifies for the 2014 TOC with her victory in the 4th Flight, her net 69 winning the Flight by 5 strokes.

Red Hawk (Hills) – June 21, 2013

Our first of back-to-back days at the Red Hawk Resort – both courses being first time venues for the CGC. The Hills course was probably the surprise course of the weekend. Before changes were made to the Lakes course yardages, the Hills course was the easiest rated of the 3 courses on the trip – and appeared to be the least interesting course of the 3. After the trip, the Hills seemed to be the most enjoyed course by the group.

The Hills fits its' name – it would be a challenging walking course. Devoid of trees, the wind is probably the best defense – and we were fortunate to play the course on a calm day, so we likely did not see the course play as tough as it could. On this day, 16 of our 46 players broke net par – and the high Flight winning score was a net 63. Only 6 players shot net 80 or higher.

After shooting a gross score of 100 at Wolf Run the day before, Jay Simi broke 80 for the first time shooting a 76 (net 63) to win the 1st Flight by 6 strokes. This win qualified Jay for the 2014 TOC. Shelley Barr shot a net 62 to win the 2nd Flight by 9 strokes – this was Shelley's second Flight victory of 2013. Jeanette Turvill in the 3rd Flight (net 59, winner by 9 strokes) and Sherry Aceituno in the 4th Flight (net 60, winner by 1 stroke) won for the second straight day on the trip in their Flight.

Red Hawk (Lakes) – June 22, 2013

The Red Hawk (Lakes) course plays down in the flat lands – with water potentially coming into play on 12 or 13 holes. The Resort, attempting to make both courses of equal difficulty for Resort guests, had recently shortened numerous holes on the Lakes course – this was not yet reflected on the scorecard. The course rating and slope had also just been reduced, so that it now rated easier than the Hills course. Based on our play on another beautiful day, their new ratings are an accurate reflection – 19 of our 46 players broke net par, with only 4 players shooting net 80 or higher.

Three of the 4 Flight winners on this day are now qualified for the 2014 TOC – Steve Brooks net 66 won the 1st Flight by 3 strokes, Dan White also shot a net 66 to win the 2nd Flight by one stroke, while Debbie Rankin's net 70 in the 3rd Flight beat Errol Thomas via the tie-breaker (Errol also qualifies for the 2014 TOC with his tie for low net in the 3rd Flight). Sherry Aceituno completed a magical golfing weekend by winning the 4th Flight for the 3rd straight day – her net 65 being the low net for the day and winning the 4th Flight by 4 strokes.
