Results from Castle Oaks, October 22, 2011

We may have gotten the last little bit of summer on this gorgeous October day – with temperatures in the low to mid 80's and not much breeze. As it reached the afternoon and the group got to the back nine, it was a bit warm.

The group has played Castle Oaks so often, we have a very interesting sample size on how it plays. There are some obvious difficult holes (1st, 2nd, 10th and 18th) – but many of the other holes will reach up and grab players from seemingly out of nowhere. We'll see plenty of birdies and pars in the group that would lead you to think we'd see plenty of net scores well under net par – but every player seems to end up with big numbers on 2 or 3 holes in a round, many times on holes where you would least expect disaster to strike. We feel this is what makes Castle Oaks such an interesting venue for the group.

On this day, we ended up with only 3 scores under net 70 and 5 overall scores under net par. Letitia Ruitter had the low net for the day (4 under par net 67) to win the 3rd Flight. John McLaughlin also shot a 4 under par net 67 to win the 2nd Flight (Letitia won the tie-breaker over John for the low net for the day) – John's win earned him his invitation to the 2012 Tournament of Champions (TOC) event. Letitia and Mitch Johnson (who won the 1st Flight with a 1 under par net 70) had qualified for the TOC previously.
